

[HALT \(Help Abolish Legal Tyranny\)](#) is requesting you sign a petition for your state regarding **L**
awyer Discipline Best Practices

. If any of you have attempted to report violation of ethics (

[Hawaii Rules of Professional Conduct](#)

) to Hawaii's

[Office of Disciplinary Counsel](#)

(ODC), you are well aware that ODC covers up the violations rather than protecting the Court
Clients.

[Please take a moment and Sign HALT's Petition.](#)

This will be calling on the officials of your state's attorney discipline system to institute 10
reasonable reforms - including disclosing a lawyer's complete disciplinary history, opening
lawyer discipline hearings to everyone and issuing strong sanctions, such as permanent
disbarment, when lawyers behave unethically.

Even If you only care about Transparency and Sunshine in government, this is a good measure
to improve accountability in our court system.
