

Rep. Mizuno is sponsoring a silent march on Wednesday, 08/25/10 at 5:00pm in front of the State Capitol, in memory of Kristine & Sandra Cass (the mom and daughter who were killed by mom's ex-boyfriend a few days ago) .

Please spread the word about this event.

It means so much to the loved ones left behind to see a large outpouring of community support.

Please wear purple (the color that represents Domestic Violence) - and bring your kids (or students) to sow the seed of civil activism early. Show them that there are times to *take a stand* and that the *end of domestic violence begins with each and everyone of us*

Media is sure to be present so for those who would prefer to remain unrecognized, a hat and sunglasses will do.
